

# DRINKWARE SET: NORDIC COFFEE MUG 350 ML & THERMAL WATER BOTTLE 500 ML

HCM01-OR/HBN02-OR

A practical set for outdoor activities, it contains a Nordic coffee mug (350ml capacity) and a Nordic thermal water bottle (500ml capacity). The Nordic thermal mug provides excellent thermal insulation capabilities (up to 12 hours low temperature, up to 6 hours high temperature). Double wall is made of top quality 18/8 food grade stainless steel. The Nordic thermal bottle is made of the mix of the highest quality 18/8 stainless steel, resistant to acids and carbonates, and Korean POSCO steel, combining durability with a sleek aesthetic. The solid powder coated finishing of both items ensures resistance to mechanical damage, and also guarantees a safe grip. Products are certified for food contact and are BPA-free.

The set is packed in an elegant gift box.
