

NORDIC SET: VACUUM THERMOS AND ALL-IN-ONE NORDIC FOOD AND BEVERAGE THERMOS, 600 ML

HFN01-GR/HTN01-GR.

A vacuum flask with a screw-on cap and a vacuum food jar, both made from extremely durable 18/8 stainless steel—resistant to acids and carbonates, as well as mechanical damage. Double steel walls, vacuum-insulated, keep the temperature for many hours. Powder coating ensures a firm grip and a great look. The flasks do not affect the taste or smell of food and beverages. The perfect set for any expedition, packaged in an elegant gift box.

ATTRIBUTES
