

TRAVEL SET II: THERMAL MUG NORDIC 350 ML AND OPTIMA MULTITOOL

HCM01-RE/MM06T-RE

The travel set includes a coffee mug and a multitool. The Nordic thermal mug has excellent thermal insulation capabilities (up to 12 hours low temperature, up to 6 hours high temperature). Fits comfortably in the hand through the use of matt powder coating and ergonomic design. Optima multitool is made of high-quality stainless steel with titanium coating for improved hardness and extra corrosion resistance. Colorful inserts on the handle for subtle decoration. The multitool has a built-in liner lock safety device to prevent accidental locking while using. Packed in a black gift box.
