

TOOL SET II: MULTITOOL OPTIMA AND LED TORCH

MM06T-BL/MT03-BL

Our tool set is an excellent choice for those who value functionality and durability. It includes the Optima multi-tool and a handy LED flashlight. The multitool is made from high-quality stainless steel with a titanium coating, ensuring corrosion resistance. Additionally, the built-in "liner lock" provides safety during use. Subtle colored accents add elegance, making it a great gift idea. The LED flashlight, made of lightweight yet durable aluminum, offers focused light function, making it both a practical and stylish accessory. Handy and compact, the flashlight is powered by AA batteries. The set comes in an elegant box.
