

# ECO WOMEN'S SOFTSHELL JACKETS, M SIZE

DJ2REC-M-BL

The women's ECO SOFTSHELL jacket is the perfect choice for those who value high-quality products and want to actively support efforts for protecting our planet. Key product features:

**High technical specifications:** It boasts the highest possible technical parameters, including breathability at 10,000 g/m<sup>2</sup> and windproofing at 10,000. This ensures comfort and convenience even in demanding weather conditions.

**Reliable YKK zippers:** The high-quality zippers guarantee durability and reliability.

**Colorful cuffs with Velcro:** They allow users to adjust the sleeve length according to their needs.

**Practical pockets:** Equipped with two large zippered pockets.

**Soft fleece lining:** The interior is lined with soft fleece, providing an additional layer of warmth and comfort. The material matches the color of the zippers and cuffs, giving the jacket a cohesive and aesthetic appearance.

**Eco-friendly recycled polyester:** Made from recycled polyester.

**OEKO-Tex and GRS certifications:** The jacket holds OEKO-Tex and GRS certifications, confirming its adherence to the highest quality standards and its freedom from harmful substances.
