

THERMAL MUG WITH TEA STRAINER 450 ML

HDB01

Eco-Friendly Thermal Mug with Tea Strainer - a perfect blend of sustainability and functionality for your daily beverage enjoyment. This mug features a stylish bamboo wood exterior that not only looks elegant but also protects your hands from burns, while the double stainless steel walls maintain desired temperatures. With its spacious capacity, you can savor your favorite tea, infusions, or even create delightful cold fruit beverages. The removable stainless steel strainer inside the mug allows you to brew loose tea leaves or herbal infusions with ease, giving you the freedom to customize your beverages to perfection. Perfect for gifting to clients, employees, or partners, this practical and stylish mug embodies your commitment to eco-friendly practices, making it an ideal corporate gift to promote your brand. Capacity: 450 ml.
