

ALL-IN-ONE NORDIC FOOD AND BEVERAGE THERMOS, 600 ML

HFN01-TU

The vacuum food thermos will keep your meal at the right temperature for hours. Easy opening and convenient consumption of a meal. Made of extremely durable 18/8 stainless steel, naturally free from BPA and phthalates. The product has varnished powder surface and is resistant to mechanical damage. The food thermos does not affect the taste nor the smell of food. Double wall vacuum insulation provides excellent insulating properties (cold temp. for up to 12 hours and hot temp. for up to 6 hours). The wide opening makes it easy to fill and clean the thermos after using. The leakproof lid allows you to carry the thermos in a backpack or a purse, without the risk of the contents leaking out. It will be perfect for any kind of a trip, but also for work or school. Certified for food contact.
