XENON BASIC BACKPACK IN A CHRISTMAS FOIL

LPN710-RE.

The Xenon Basic backpack is a perfect blend of functionality and fashion. Designed for modern convenience and safety - the access to the main compartment only from the back, and the interior features a 15" laptop pocket. The backpack is constructed with high-quality materials, including 1680D polyester for durability, 210D polyester lining for added resilience, and gunmetal zippers. The back features an airchannel system for comfortable use, and also a fastening strap for attaching the backpack to the suitcase frame. For a personalized touch, the backpack is equipped with a metal badge, perfect for engraving. The product is REACH certified. Capacity: 17 L
