

ECO UMBRELLA OXFORD

UP10REC-BL

OXFORD ECO UMBRELLA is a classic choice, combining excellent quality, functionality, and environmental care. This compact umbrella provides versatile protection from rain and sun thanks to its 8 panels. Its sturdy construction, including the black frame and shaft with black fiberglass ribs capped with bamboo, ensures resistance to strong winds, guaranteeing stability even in challenging weather conditions. The automatic opening allows for convenient use, while the bamboo handle not only adds charm but also provides a comfortable grip. The 188T pongee material made from recycled PET contributes to environmental preservation. Choose this umbrella to express your commitment to sustainable development and promote a positive company image.
