

PRIMO EVERYDAY SET: WATER BOTTLE 550 ml & FULL AUTOMATIC UMBRELLA HARVARD

HBN03-TU/US15

A practical set that will work well in everyday use, including a steel water bottle and an automatic umbrella from Primo collection. The water bottle is made of durable food-grade 18/8 stainless steel, both on the outer and inner shell, ensuring the highest standards of quality and durability. The product provides a comfortable and safe grip, thanks to its ergonomic shape. The innovative design includes a convenient one-click opening mechanism for quick and easy access to your beverage. When not using the bottle, you can lock the cap to prevent the contents from spilling.

The folding umbrella is a high-quality product from the Primo collection with DAS (Double Automatic System - automatic closing and opening) and the anti-wind system. It features: a solid metal frame, fiberglass-covered ribs, and a handle covered with PU. The umbrella fits perfectly in a handbag or a backpack. The product is REACH certified.

The set packed in an elegant gift box.
