

PRIMO SET: VACUUM MUG 450 ML & AUTOMATIC UMBRELLA

HD160-BL/US15

A practical set for people on the go, including a vacuum thermal mug from Primo collection and a folding automatic umbrella.

Leakproof thermal mug is made of high-quality stainless steel, finished with a matte powder coating, which provides not only durability but also great looks. Double walls perfectly retain the desired temperature for up to 6 hours. The click closure design will keep your drink hot and safe. The product is certified for food contact and is BPA-free.

The folding umbrella is a high-quality product from the Primo collection with DAS (Double Automatic System - automatic closing and opening) and the anti-wind system. Features: a solid metal frame, fiberglass-covered ribs, a handle covered with PU and is finished with a gunmetal plate - perfect for engraving. The product is REACH certified.

The set is packed in an elegant gift box.
